ABOUT US

Paranoid Internet GmbH is a young and fast growing company that specialises in Business Development. We are creative entrepreneurs from an intercultural background looking forward to build innovative strategies that will bring your ideas to the global spotlight. We offer you Creative Management techniques combined with International Market Experience. You can build through us unique operative strategies, custom made to your team and your business. We empower each individual within your team to develop efficient strategies based on solid economic knowledge and Business Intelligence.

Paranoid Internet can help you realise your projects from concept development to market leadership. We will give your business the tools to innovate into an international business market, where understanding cultural and human values is vital for development. We are always informed of the latest trends on the market and bring them successfully into your life.

Do you want to know about our international cases of success? Each business is different. Each idea develops in a different way. Find which is your way! Talk to us about your goals and values and we will show you the way to a new world!

Dennis Weidner,
CEO- Paranoid Internet GmbH

PARANOID INTERNET

IDEA AND MARKETING FACTORY

OUR CORE VALUES & SERVICES:

MEDIA CAMPAIGNS

We deliver social media campaigns with high impact results.

COMPANY STORY BOARD

We lead your company to success and deliver strategic steps to follow.

HIGH END INNOVATIVE

We bring to you the best and most efficient tools that will help you to operate and manage your company.

KNOWLEDGE COLLABORATION

We share knowledge throughout our network and across cultures. Sharing information contributes to a general benefit and makes a significant impact on your projects.

CREATIVE WORKSHOPS

We will work with your team to develop their strengths, enhance high efficiency and a happy working atmosphere, as well as encourage team spirit in your company.

HIGH IMPACT CAMPAIGNS

We bring awareness around your projects in a unique way based on an innovative collaboration with arts and technology (documentaries, sound, music, VR).

INTERNATIONALIZATION

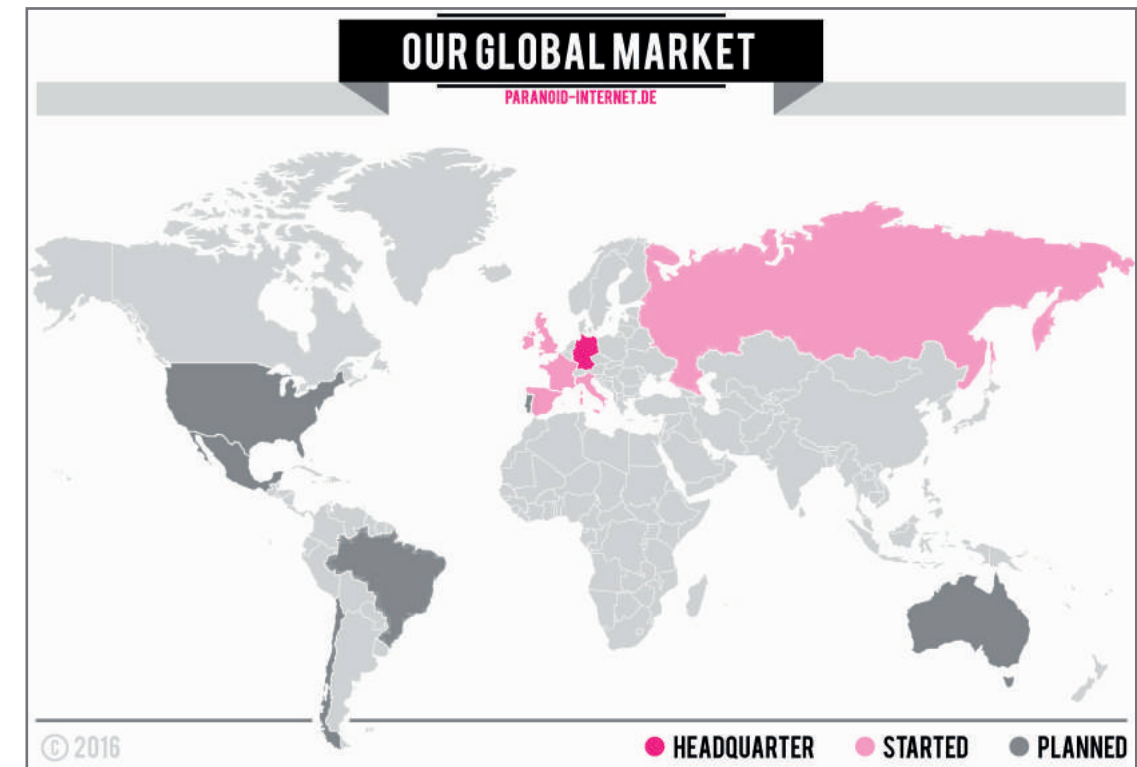

We think globally and have an understanding of international cultures and different beliefs, values and business strategies. With our team we are able to internationalize your company successfully.

SALES MANAGEMENT

We help you to set up the perfect sales team and to manage your sales operations. We provide support and offer you training courses and Knowledge Collaboration.

FRAMEWORK OF INTERNATIONAL SUCCESS

We expand your reach along the cultures we have brought together. Our international partners are based in:

Jumping Fitness is an innovative trampoline workout for the whole body. It forms and strengthens the body in a short time and completely without muscular strain. The Jumping Fitness AG is a fast-growing company with more than 15,000 customers.

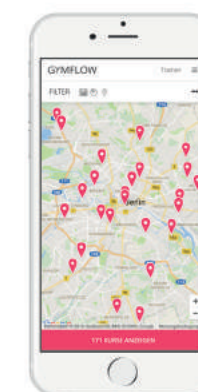

Together with Paranoid Internet, Jumping Fitness went international and started in 2016 its internationalization in Italy, Spain and France. In 2017 we will expand among others the Turkish, Mexican and Portuguese market.
